

Pirate, cake & donations

<http://alanmasterton.yolasite.com/children-in-need-2014.php>

For Children in Need 2014 I dressed as a pirate and made cakes to sell along with miniature heroes. The place I did this was LCIL at Norton Park where people were giving sponsors and donations before I got started on my task for the day. After this I went down to Action Group where I got more sponsors and sold more cake. Currently I have raised £128.02. I am no longer taking paper donations as I've ran out of space but until the 21st of November I'll be taking online donations with just giving. Good thing is I exceeded my target off £110. The even better thing is I exceeded my highest ever collection of £118.09.
