I'm not talking about that, OK, Jaimie has been stripped down to the breasts, but look at that big red mark on her neck it's like she's been attacked by some form of vampire.

JACK

Jaimie are you OK?

JAIMIE

I've been attacked by a vampire.

Hilary and Jack stand there for a few seconds of shocked silence.

JACK

Doesn't that make you a vampire?

JAIMIE

Only at midnight, if you want to be taken in as one just ask me for a hiccy at midnight.

HILARY

Why a hiccy?

JAIMIE

Hilary- look at my neck. I don't know what it's called, but it feels so great-much better but more painful. I love it.

JACK

But last night after that vamp film.

JAIMIE

Jack- I am a vamp, when you're a vamp you don't care.

At that moment a big wolf roar sounds coming from down those steps at the end.
