

# DO SOMETHING FUNNY FOR MONEY

For comic relief this year, I dressed as a drag queen. Her name Ms I L L Fitted. Most people I know complimented how sexy she really was. I raised £118.09.

The day started off at home where I sat and done nothing as a result of this I missed the number 18 to Libertus. So I thought there is no way at all am I waiting another hour in thin tights for the next one, so I got 2 buses. On the first bus, no.3 I got some right looks off some people as I also did on the next bus the 47.

In my high heels, I walked down Balmwell Avenue. Now high heels I found are easy to walk in (heel, toe) but not when you go down a hilly road so that was quite a challenge. When I got to Libertus. It turned out the film group wasn't on. Hardly anybody was in either. I spoke to the KP's though. I did a cat walk for them and played a few tunes on my recorder for them as well.

When I got home my tights ripped. I thought to myself *great I'm going to go round to doors in the block collecting money like this*. By this point my make-up had ran. All in all a great – but painful day to remember.
