

CHILDREN IN NEED 2013

This year for children in need I Ms I L L fitted sat in the house but had fun there. She raised £56.50. You will find the videos and photos on my website alanmasterton.yolasite.com. I learnt as well if you get false nails out of poundland, never under any circumstances use the glue you get with it.

I have also made updates to Ms I L L Fitted like page on facebook. You'll find it all on 1 of these pages.
